Chairman – Claes Thelemarck, Extension Field Specialist, 4-H Youth,
Amanda Royce, Program Coordinator, 4-H Youth
PO BOX 1480, Conway, NH 03818 Phone 447-3834.

PREMIUM LIST

Smith-Building

Exhibit hall entries will be limited to projects of Carroll County 4-H club members. 4-H members must be enrolled in the project at the county 4-H office for the current project year. All exhibits will be set up between 3:00 and 6:00 p.m. on Friday, October 7, 2017. All exhibits must remain in place until 5:00 p.m., but no later than 6:30 p.m. on Monday, October 9, 2017. Unless otherwise noted there is a limit of 3 items of the same method or style. Duplicate items must be entered as a set. i.e. matched pillows or turned plates. Any articles made from pre-fabricated kits must be suitable and appropriate for the member's age and skill level. Suitability will be left to the judges' discretion.

Member's project work will receive premiums and ribbons according to the class and level it is correctly entered in. Judges have the right to change levels if they feel it is appropriate, after discussion with the Extension Educator. More difficult and advanced project work should be entered in a higher level and will receive a higher premium. A less difficult or beginning project should be entered in Level 1. Questions pertaining to entries should be directed to the County 4-H Educator. Projects requiring special expertise for judging must be identified, and the Extension office must be notified at least two weeks prior to the fair (i.e. electronics, computer/technology projects, or a specialty livestock project). No live animals in the 4-H exhibit hall.

Cloverbud projects are not judged. *Each Cloverbud member (4-H ages 5–7) may enter one project in each project area.* Cloverbuds will receive a participation premium of \$.50 per entry and a green Cloverbud ribbon.

Ribbon & Premium Awards:	Regular Premiums			Mastery		
	Blue	Red	White	Blue	Red	White
