## Hodge Exhibit Hall

Co-Chairs – Julie Deak (603.707.0140; jdeak@wildblue.net)

Juli Hird (603.284.6377; jhsileas9@gmail.com)

A growing number of small farms with fiber animals, as well as a renewed interest in working with natural fibers, inspired this department. There are numerous individuals and groups who spin, felt, knit, crochet, and weave with natural fibers who want to exhibit and educate.

Items made with yarns made from man-made materials should be entered and judged in the Crafts and Needlework Department, displayed adjacent to this department in the exhibit hall.
