A message from the Baked Goods Committee of The Sandwich Fair Association:

“Dear Fair Association,

After much deliberation and discussion, we have come to the decision that, given the close quarters and necessity to be mask less for judging, the most responsible option for the Baked Goods Department is to cancel baked goods entries for this year. This was not an easy decision to make but ultimately, we are not comfortable with the responsibility for ensuring Covid19 risk mitigation for our committee members and/or judges.

**Respectfully,
Baked Goods Department “**

Our committees are the lifeblood of our fair. While we regret any disappointment our submitting bakers may have at this news, we support and respect this difficult personal decision by our Baked Goods Committee and thank them for their hours of support in past years.

Please call the office with any questions: 603 284 7062.
